SUPPLEMENTAL INSPECTION REMARKS

Permit No.: 17 041 H

The following remarks supplement the inspection report of: Metamora Grade School cafeteria

(Establishment Name)

Date: 2 October 2017

Item	Code	Section	Inspection Remarks	Correct by
			No violations observed at time of inspection.	
			Keep up the good work!	
			Observed two food serving line windows in use; temperature log sheets for cooking temperatures and refrigeration/freezer units.	
			Please go to our website to view/print the Spring/Summer 2017 newsletter.	
			Facility is still classified as a Category I, High Risk establishment	
			At the time of this inspection, this establishment appears to meet the requirements to waive the 3 rd inspection.	
			Please note that if the school or group fundraiser is cooking/preparing/serving food outside of kitchen facility (concessions, grill, barbeque, steak-fry, cook-out, etc.), a temporary food permit must be applied for & approved by WCHD.	
			WCHD provides free food safety in-services to establishments & their staff	
			Next IL FSSM 8-hour class offered @ WCHD: October 3 & 5, 2017	
			IL FSSM class at U of I Extension – Woodford, Eureka: Call 309-467-3789 for more information or to register for the 8-hour class & exam.	
			Effective January 1, 2017, Food Handler certification is required for all food employees who do not already have IL FSSM certification. "Food employee" means an individual working with unpackaged food, food equipment or utensils, or food-contact surfaces. Food handler certification is required 30 days from the hire date of food employees.	
		FYI	HAZARD ANALYSIS CRITICAL CONTROL POINT	
			- Keep potentially hazardous food requiring time/temperature controls for safety out of the temperature danger zone of 41° F – 135° F [use a clean and sanitized food temperature measuring device with metal-stem to monitor internal food temperatures]	
			- Wash hands frequently at hand sink, especially before using gloves & after donning hair nets/hair restraints – double hand washing required after using the restroom; follow proper personal hygiene practices	
			- Make sure all containers of food are properly labeled w/ name and date & time of opening of package, in addition to the date & time when the food was placed into the container; discard PHF under refrigeration after a maximum of 7 days	
			- Recommend continued documenting temperatures of refrigeration units, freezing units, hot-holding units, internal food temperatures, dishwasher temperatures, sanitizer concentrations, etc., on a log sheet	
			- Protect food from possible consumer contamination by using sneeze guards and other effective means	

Sanitarian/Environmental Health Inspector Paul Wilkins WCHD

These remarks have been explained to me and are understood

Karla Kesewetter
