Daily Tri-county Update COVID-19

Peoria, Tazewell, Woodford Counties

*Coronavirus Disease 2019 (COVID-19) Known Positive Test Results of Cases
Residing in these Individual Counties:*

	Peoria	Tazewell	Woodford	Totals
Confirmed Positive	2802	1337	343	4482
Deaths	39	13	5	57

Status Update:

Recovered:	75.1%	(↑1.4%)
Home Isolating:	23.0%	(↓1.4%)
Hospitalized:	0.7%	(0.0%)

Total number of persons reported electronically. Provisional and subject to change.

Please note that Illinois Department of Public Health case counts may include testing facility counts of residents from many counties and may not reflect actual testing counts of residents from that county. Check local health department counts for more accurate resident testing numbers.

Local Hospital Data: For all counties using local hospitals

PUI cases in ICU	Confirmed cases in ICU	Total ICU Usage for COVID-19	Total PUI/Confirmed in NON-ICU	Total Deaths reported in past 24 hours
0	14	14	38	0

PUI are Persons Under Investigation for COVID-19

We are saddened to report the death of a Tazewell County resident – a white, non-Hispanic male in his 70s, and a resident of the long-term care facility Aperion Care.

IN HONOR

While we are in the midst of this COVID-19 response, we understand the strength we all have to get through this pandemic. With this strength, we would also like to take this time on September 11 to remember the tragic attacks on America in 2001. We honor those lives lost and the strength of the American spirit.
